#### TODAY'S BEAUTY HINTS

You can enjoy a delightful shampoo with very little effort and for a very rifling cost, if you get from your druggist a package of canthrox and dissolve a teaspoonful in a cup of hot water. This makes a full cup of shampoo liquid, enough so it is easy o apply it to all the hair instead of just the top of the head. Your sham-100 is now ready. Just pour a little to a time on the scalp and hair until soft are entirely covered by the dainily perfumed preparation that thoroughly dissolves and removes every bit of dandruff, excess oil and dirt. After rinsing, the hair dries quickly, with a luffiness that makes it seem heavier than it is, and takes on a rich luster and a softness that makes arranging it a pleasure.—Adv

THE DISCONTINUING OF THE RAYMOND STORE does not mean that only a part of this excellent stock will be sold on the sales floors, but does mean that it all must be sold in a retail way as rapidly as possible.

To speak of a "mere sale" does not express or imply what this furniture buying opportunity carries with it in the matter of saving for those who have a piece of furniture or a ru or a whole house to furnish. Many have been in and proven this truth in the past few days, since the discontinuation announcement was made. It would be a useless and vain attempt to go into a long list of prices in this ad for the purpose of showing you how splendid the values are-space forbids, and we are going to rely on your judgment of the values and the prices after you

To discontinue a stock like the Raymond in purely a retail way expresses something more than ordinary sale prices or even bargains. Remember that this is a time when the markets for everything needed by man is at high tide. The 50,000 square feet of floor space of the six sales floors of the Raymond location is covered with merchandise of unquestioned quality. It has all been wisely bought. You will be able in this stock to select most any style for any room of your home—among styles that are correct and of dependable woods and construction.

Every day of the coming week will be especially good days for taking advantage of the big offerings which line every floor, but the sooner you come the better you treat yourself. Purchases made now from the Raymond at discontinued prices will be held for future delivery when desired.
